WHAT THIS FINAL OUTPUT DEMONSTRATES

One design. Every screen.

01 **Flexbox:** navigation, buttons, card content and footer links.

02 **CSS Grid:** six feature cards and the three-image gallery.

03 **Desktop:** three-column feature cards and a horizontal gallery.

04 **Mobile:** stacked navigation, single-column cards and images.

05 **Responsive spacing:** fluid widths, readable type and no horizontal overflow.
